“It’s easier to build boys & girls than to repair men & women.”
This year marks the 25th Anniversary of the State Combined Campaign (SCC). Our first statewide campaign was held in 1993. That year, 6,500 State Employees donated $311,778. Last year, 9,412 State Employees generously donated more than $805,000 to charities across Alabama.

Over the past 25 years, State Employees have made 240,704 donations totaling $16,084,133. These donations have brought help and hope to countless Alabamians as well as made life better for those overseas. The great thing about the State Combined Campaign is you choose where your dollars go and how they will help! Each year, State Employees have the opportunity to choose from more than 400 charities. YOU choose how your donation helps.

To mark the 25th anniversary of the SCC, our theme is “love your State by giving” and the ask is $25 to celebrate 25 – asking those who have never given, or given a small gift, to consider a minimum gift of $25. We are asking everyone to consider a gift of $25 per month. That is an annual gift of $300. We asked SCC charities to share with you how a $25 gift, both annually and monthly, makes a difference. Here’s a few examples:

- $25 - Transportation assistance to cover nearly 300 miles of travel for breast cancer patients through Susan G. Komen for the Cure
- $25 - 135 meals to one of your neighbors in need through the Montgomery Area Food Bank and its partner food banks
- $25 - Provides a "Living Well" backpack of education and supplies for a newly diagnosed child via SE Diabetes Education Services
- $25 – Provide the fuel for 6 transports to heal care for children through Kid One Transport System
- $25 - Purchase meals on wheels for a month for a homebound senior through MANNA
- $25 - Provide vaccinations for 2 puppies through Montgomery Humane Society
- $300 - Provide shelter to a homeless teen through Thirteenth Place
- $300 - Provide a day facility for handicapped adult through Snellgove Civitan Center
- $300 could help provide patients and caregivers with six (6) nights of free lodging at the Joe Lee Griffin Hope Lodge (American Cancer Society) when they have to travel to Birmingham for cancer treatment
- $300 - postage to send storybooks and DVDs to the children through Aid to Inmate Mothers (AIM)
- $300 - Funds medicine and supplies to treat 1,380 disaster patients through Blessings International

The examples are endless. We have many more at www.statecombinedcampaign.org. See how your gift truly makes a difference.

Join me in celebrating 25 years of Alabama State Employee generosity. Thank you for caring and thank you for sharing.

Jeana Ross, State Combined Campaign Chair
Secretary, Department of Early Childhood Education
State Combined Campaign is the only authorized workplace campaign for state employees in Alabama. It is the only way State Employees can support charitable organizations through the ease of payroll deduction.

Since 1993, Alabama’s State Employees have contributed more than $16 million to charitable organizations across Alabama.

State employees run the campaign. While the law names the Governor as the ultimate administrative authority, the governing of the campaign is handled by the Steering Committee, made up of 7 state employees representing the 3 branches of government. Locally, the campaign is governed by Local Agency Review Committees, or LARCs, made up of state employees locally that are responsible for the administration of the campaign within each campaign area.

State employees decide which charities participate in the Campaign. Agencies and federations of agencies apply for admission to the LARC in each area of the state where they have offices and offer services to state employees.

YOU choose which agency receives your donation. The SCC is a donor-designated campaign. You designate where your gift goes. Undesignated dollars are allocated in the same proportion as designated dollars. Agencies who do not receive a designation will get no campaign funds.

Giving is easy! Gifts may be made through payroll deduction or a one-time cash, check or credit card donation. Most prefer payroll deduction since it allows us to make more a generous gift, yet pay for it in affordable installments throughout the year. Deductions start January 2019 and automatically cancel at the end of the year. It is a gift you will never miss, that someone else will never forget.

Why should I give to the SCC? Your gift to the SCC will improve the lives of fellow Alabamians. The SCC supports more than 400 health and human service agencies that are working to make a difference and improve our communities. You have the choice to support your favorite issue or cause. It is your choice.

Why should I give through the SCC instead of just sending the money directly to my favorite charities? By combining solicitations into a once-a-year campaign, the SCC reduces the need for individual (and costly) solicitations from charities. Charity accounting costs are reduced as well because gifts are consolidated into reliable monthly checks thanks to payroll deduction.

What does the percentage number listed with each charity in the brochure mean? The number you see refers to the fundraising and administrative costs for each charity. SCC policies dictate charities keep their fundraising and admin costs below 30 percent. This assures the maximum possible funding goes directly to services, or programs; helping the people in our communities.

Is my gift tax-deductible and will I receive a receipt? Yes, every SCC charity is a 501c3 registered charity. Pledge forms are 3-ply. The green copy is your receipt for tax purposes. If your tax adviser determines additional verification is required, contact the SCC office.

Is there a minimum amount for payroll deduction? Yes. The minimum amount is $1.00 per month (annual gift of $12).

No one can be forced to give. State law forbids any person, including supervisors and managers, from using any unfair or unreasonable pressure or tactics to make an employee participate in the SCC. If you feel you are being unfairly or unreasonably pressured, call 334-269-4505.

Your favorite charity is not listed. How can an organization become affiliated with the SCC?

The State Combined Campaign is open to all charitable organizations which:
1. Are 501(c)(3) under the IRS tax code
2. Have an office open and operating in the State of Alabama at least 15 hours a week
3. Receive at least 60% of funding from individuals in the State of Alabama

There are a few more criteria, but if your organization meets these and wants to find out if you are eligible for participation, please contact the Statewide Campaign Manager’s Office or fill out the online application and send it to 8 Commerce Street, Suite 1140, Montgomery AL 36104.

What if I transfer to another State Department or Agency? Your pledge will not move. If you do not transfer your pledge, that amount will be considered pledge loss, hurting all SCC agencies. Please contact the SCC office for help in transferring your pledge.

You can help Alabamians rebuild their lives and homes after a disaster through a gift to the GERF. The GERF is there for Alabamians with no where else to go after a disaster. Since 2005, the GERF has assisted more than 1,000 Alabama families and helped build over 70 community safe rooms across Alabama.

You can support the GERF simply by writing “GERF” in the boxes where you designate your gift. Thank you for your support!

The Governor’s Emergency Relief Fund is administered by the United Ways of Alabama and the GERF Steering Committee.
Montgomery Area Food Bank (MAFB) is a non-profit, 501(c)(3) with a mission to Feed Hope Across. Our service area is a region which literally crisscrosses the entire state - from Georgia to Mississippi encompassing 24,921 square miles, and more than half (35) of our state’s 67 counties.

Since 1986, MAFB’s central location in the "Heart of Alabama" has allowed us to provide "coverage" for Partner Distribution Organizations (PDO) in Tuscaloosa, Selma, Auburn and Dothan, which in turn affords them access to the Feeding America network, the largest feeding charity in the nation.

As a result, we have an extended reach to more than 800 local community agencies, who see firsthand their neighbor’s need. With one donated dollar, we can provide more than 6 meals...$1= 6.5 meals. Together we distributed more than 25 million pounds of assistance to the more than 385,000 hungry Alabamians within our service area last year and with your support we can do even more.

We are a Charity Navigator 4-Star charity, singled out for our transparency and stewardship of all resources entrusted to us. Please visit our Web site: www.MontgomeryAreaFoodBank.org where you’ll find a “Documented Transparency” link on the bottom of every page, which provides exactly that.
