Dear Fellow State Employees:

I would like to thank each of you for your generous contributions to the State Combined Campaign over the years.

Your unselfish giving has had a positive impact on many lives in your hometowns, across our great state, and around the world. However, there is much more to be accomplished. In these times of limited resources and low funding, charitable agencies strive to help the needy.

It is my hope that you will find it in your heart to join this year’s State Combined Campaign and again give to assist those who desperately need our help. This brochure contains each participating charity’s 6-digit code, name, contact phone number and overhead percentage, along with a brief description of the charity’s service. Please review this brochure, consider the needs of others, and give to the charity or charities you feel are most worthy. Contributions can be made through a lump sum payment or through payroll deduction, which allows you to make your gift in easy monthly payments through the following year. (The monthly payroll deduction will not begin until January 2020.)

Again, I thank you for participating in this campaign. Please remember that each and every contribution impacts a life and makes a difference for those we help.

Sincerely,

Kay Ivey
Governor
State Combined Campaign is the only authorized workplace campaign for state employees in Alabama. It is the only way State Employees can support charitable organizations through the ease of payroll deduction.

Since 1993, Alabama’s State Employees have contributed more than $16 million to charitable organizations across Alabama.

State employees run the campaign. While the law names the Governor as the ultimate administrative authority, the governing of the campaign is handled by the Steering Committee, made up of 7 state employees representing the 3 branches of government. Locally, the campaign is governed by Local Agency Review Committees, or LARCs, made up of state employees locally that are responsible for the administration of the campaign within each campaign area.

State employees decide which charities participate in the Campaign. Agencies and federations of agencies apply for admission to the LARC in each area of the state where they have offices and offer services to state employees.

YOU choose which agency receives your donation. The SCC is a donor-designated campaign. You designate where your gift goes. Undesignated dollars are allocated in the same proportion as designated dollars. Agencies who do not receive a designation will get no campaign funds.

Giving is easy! Gifts may be made through payroll deduction or a one-time cash, check or credit card donation. Most prefer payroll deduction since it allows us to make more a generous gift, yet pay for it in affordable installments throughout the year. Deductions start January 2019 and automatically cancel at the end of the year. It is a gift you will never miss, that someone else will never forget.

Why should I give to the SCC? Your gift to the SCC will improve the lives of fellow Alabamians. The SCC supports more than 400 health and human service agencies that are working to make a difference and improve our communities. You have the choice to support you favorite issue or cause. It is your choice.

Why should I give through the SCC instead of just sending the money directly to my favorite charities? By combining solicitations into a once-a-year campaign, the SCC reduces the need for individual (and costly) solicitations from charities. Charity accounting costs are reduced as well because gifts are consolidated into reliable monthly checks thanks to payroll deduction.

What does the percentage number listed with each charity in the brochure mean? The number you see refers to the fundraising and administrative costs for each charity. SCC policies dictate charities keep their fundraising and admin costs below 30 percent. This assures the maximum possible funding goes directly to services, or programs; helping the people in our communities.

Is my gift tax-deductible and will I receive a receipt? Yes, every SCC charity is a 501c3 registered charity. Pledge forms are 3-ply. The green copy is your receipt for tax purposes. If your tax adviser determines additional verification is required, contact the SCC office.

Is there a minimum amount for payroll deduction? Yes. The minimum amount is $1.00 per month (annual gift of $12).

What if I transfer to another State Department or Agency? Your pledge will not move. If you do not transfer your pledge, that amount will be considered pledge loss, hurting all SCC agencies. Please contact the SCC office for help in transferring your pledge.

No one can be forced to give. State law forbids any person, including supervisors and managers, from using any unfair or unreasonable pressure or tactics to make an employee participate in the SCC. If you feel you are being unfairly or unreasonably pressured, call 334-269-4505.

Thank you for Designating #106812

The Montgomery Area Food Bank (MAFB) is a non-profit, 501(c)(3) with a mission to Feed Hope Across Alabama. Our service area is a region which literally crisscrosses the entire state - from Georgia to Mississippi - encompassing 24,921 square miles, and more than half (35) of our state’s 67 counties.

Since 1986, MAFB has grown to become the “Heart of Alabama”. Centrally located; we support Partner Distribution Organizations (PDO) in Tuscaloosa, Selma, Auburn and Dothan, providing our entire service area access to the strengths of the Feeding America® national food bank network and the largest feeding charity in the nation.

As a result, we realize an extended reach to more than 800 local community agencies, who see firsthand their neighbors in need.

With each donated dollar, we can provide more than 5 meals...$1 = 5.4 meals. Last year we distributed more than 27 million pounds of assistance to more than 330,000 hungry Alabamians and with your support we know we can do much more. Unfortunately, we’re not done yet!

We are a Charity Navigator 4-Star charity; singled out for our transparency and stewardship of every individual resource entrusted to us.

Please visit our Web site: www.MontgomeryAreaFoodBank.org where you’ll find a link to our independent financials on the bottom of every page by clicking on “Documented Transparency”.

ALABAMA'S GOVERNOR'S EMERGENCY RELIEF FUND (GERF)

You can help Alabamians rebuild their lives and homes after a disaster through a gift to the GERF. The GERF is there for Alabamians with no where else to go after a disaster. Since 2005, the GERF has assisted more than 1,000 Alabama families and helped build over 70 community safe rooms across Alabama.

You can support the GERF simply by writing “GERF” in the boxes where you designate your gift. Thank you for your support!

The Governor’s Emergency Relief Fund is administered by the United Ways of Alabama and the GERF Steering Committee.
