State Employees are the Heart of Alabama

Alabama State Employee Combined Charitable Campaign
2022 Giving Guide

www.statecombinedcampaign.org
DIRECT CARE. DIRECT IMPACT.

Volunteers of America Southeast serves over 2,000 people daily with direct programs to impact the lives of veterans, low-income seniors, children and youth, the homeless, and people with addictive diseases and disabilities.
July 7, 2022

Dear Fellow State Employees:

I would like to thank each of you for your generous contributions to the State Combined Campaign over the years.

Your unselfish giving has had a positive impact on many lives in your hometowns, across our great State, and around the world. However, there is much more to be accomplished. In these times of limited resources and low funding, charitable agencies are striving to help the needy.

It is my hope that you will find it in your heart to join this year’s State Combined Campaign and again give to assist those who desperately need our help. This brochure contains each participating charity’s 6-digit code, name, contact phone number and overhead percentage, along with a brief description of the charity’s service. Please review this brochure, consider the needs of others, and GIVE to the charity or charities you feel are most worthy. Contributions can be made through a lump sum payment or through payroll deduction, which allows you to make your gift in easy monthly payments through the following year. (The monthly payroll deduction will not begin until January 2023.)

Again, I thank you for participating in this campaign. Please remember that each and every contribution impacts a life and makes a difference for those we help.

Sincerely,

Kay Ivey
Governor
The State Combined Campaign (SCC) is the only authorized workplace campaign for state employees in Alabama. It is the only way State Employees can support charitable organizations through the ease of payroll deduction.

Since 1993, Alabama’s State Employees have contributed nearly $19 million to SCC charitable organizations.

The Montgomery Area Food Bank (MAFB) is a non-profit, 501(c)(3) with a mission to Feed Hope Across Alabama. Our service area is a region which literally crisscrosses the entire state - from Georgia to Mississippi - encompassing 24,921 square miles, and more than half (35) of our state’s 67 counties.

Since 1986, MAFB has grown to become the “Heart of Alabama”. Centrally located; we support Partner Distribution Organizations (PDO) in Tuscaloosa, Selma, Auburn and Dothan, providing our entire service area access to the strengths of the Feeding America® national food bank network and the largest feeding charity in the nation.

As a result, we realize an extended reach to more than 800 local community agencies, who see firsthand their neighbors in need.

With each donated dollar, we can provide more than 5 meals...$1 = 5.4 meals. Last year we distributed more than 27 million pounds of assistance to more than 330,000 hungry Alabamians and with your support we know we can do much more. Unfortunately, we’re not done yet!

We are a Charity Navigator 4-Star charity; singled out for our transparency and stewardship of every individual resource entrusted to us.

Please visit our Web site: www.MontgomeryAreaFoodBank.org where you’ll find a link to our independent financials on the bottom of every page by clicking on “Documented Transparency”.

Feeding the Gulf Coast, formerly Bay Area Food Bank, is a local nonprofit organization addressing hunger in Southwest Alabama.

We work through over 400 partner organizations and special programs to provide nutritious food to meet the challenge of feeding people who are hungry as a result of systemic poverty, personal crisis or disaster. Since 1981, the food bank has existed to be a resource for our community and those facing the hardship of hunger.

Last year, Feeding the Gulf Coast provided more than 27.5 million meals. Food insecurity impacts 1 in 6 individuals, including 1 in 4 children. We believe that no one should have to face the day without a nutritious meal.

Your gift ensures that thousands of children, seniors, and individuals across the central Gulf Coast are provided nutritious meals.

With your support, we can end hunger and provide more hope to those in need throughout our Alabama communities.
