STATE OF ALABAMA

Dear Fellow State Employees:

I would like to thank each of you for your generous contributions to the State Combined Campaign over the years.

Your unselfish giving has had a positive impact on many lives in your hometowns, across our great State, and around the world. However, there is much more to be accomplished. In these times of limited resources and low funding, charitable agencies are striving to help the needy.

It is my hope that you will find it in your heart to join this year's State Combined Campaign and again give to assist those who desperately need our help. This brochure contains each participating charity's 6-digit code, name, contact phone number and overhead percentage, along with a brief description of the charity's service. Please review this brochure, consider the needs of others, and GIVE to the charity or charities you feel are most worthy. Contributions can be made through a lump sum payment or through payroll deduction, which allows you to make your gift in easy monthly payments through the following year. (The monthly payroll deduction will not begin until January 2024.)

Again, I thank you for participating in this campaign. Please remember that each and every contribution impacts a life and makes a difference for those we help.

Sincerely,

A handwritten signature in black ink that reads "Kay Ivey".

Kay Ivey
Governor

The State Combined Campaign (SCC) is the only authorized workplace campaign for state employees in Alabama. It is the only way State Employees can support charitable organizations through the ease of payroll deduction.

Since 1993, Alabama’s State Employees have contributed over **\$20 million** to SCC charitable organizations.

FEEDING[®]
THE GULF COAST

PLEASE DESIGNATE
#117004

Feeding the Gulf Coast, formerly Bay Area Food Bank, is a local nonprofit organization addressing hunger in Southwest Alabama.

We work through more than 800 partner organizations and special programs to provide nutritious food to meet the challenge of feeding people who are hungry as a result of systemic poverty, personal crisis or disaster. Since 1981, the food bank has existed to be a resource for our community and those facing the hardship of hunger.

Last year, Feeding the Gulf Coast provided nearly 29 million meals. Food insecurity impacts 1 in 6 individuals, including 1 in 4 children in our Alabama service area. We believe that no one should have to face the day without a nutritious meal.

Your gift ensures that thousands of children, seniors, and individuals across the central Gulf Coast are provided nutritious meals.

With your support, we can end hunger and provide more hope to those in need throughout our Alabama communities.
